Dear Ms. Dortch:

On Tuesday, January 05, 2010, Robert W. Quinn, Jr., Senior Vice President-Federal Regulatory, Hank Hultquist, Joel Lubin and David Hostetter with AT&T, met with Christi Shewman, Legal Advisor to Commissioner Baker. In the meeting, we discussed the importance of comprehensive inter-carrier compensation reform to the success of the Commission's broadband agenda. The attached presentation was used as a basis for this discussion. All comments at this meeting were consistent with AT&T's filings in the above proceedings.

Please call me if you have any questions.

Sincerely,

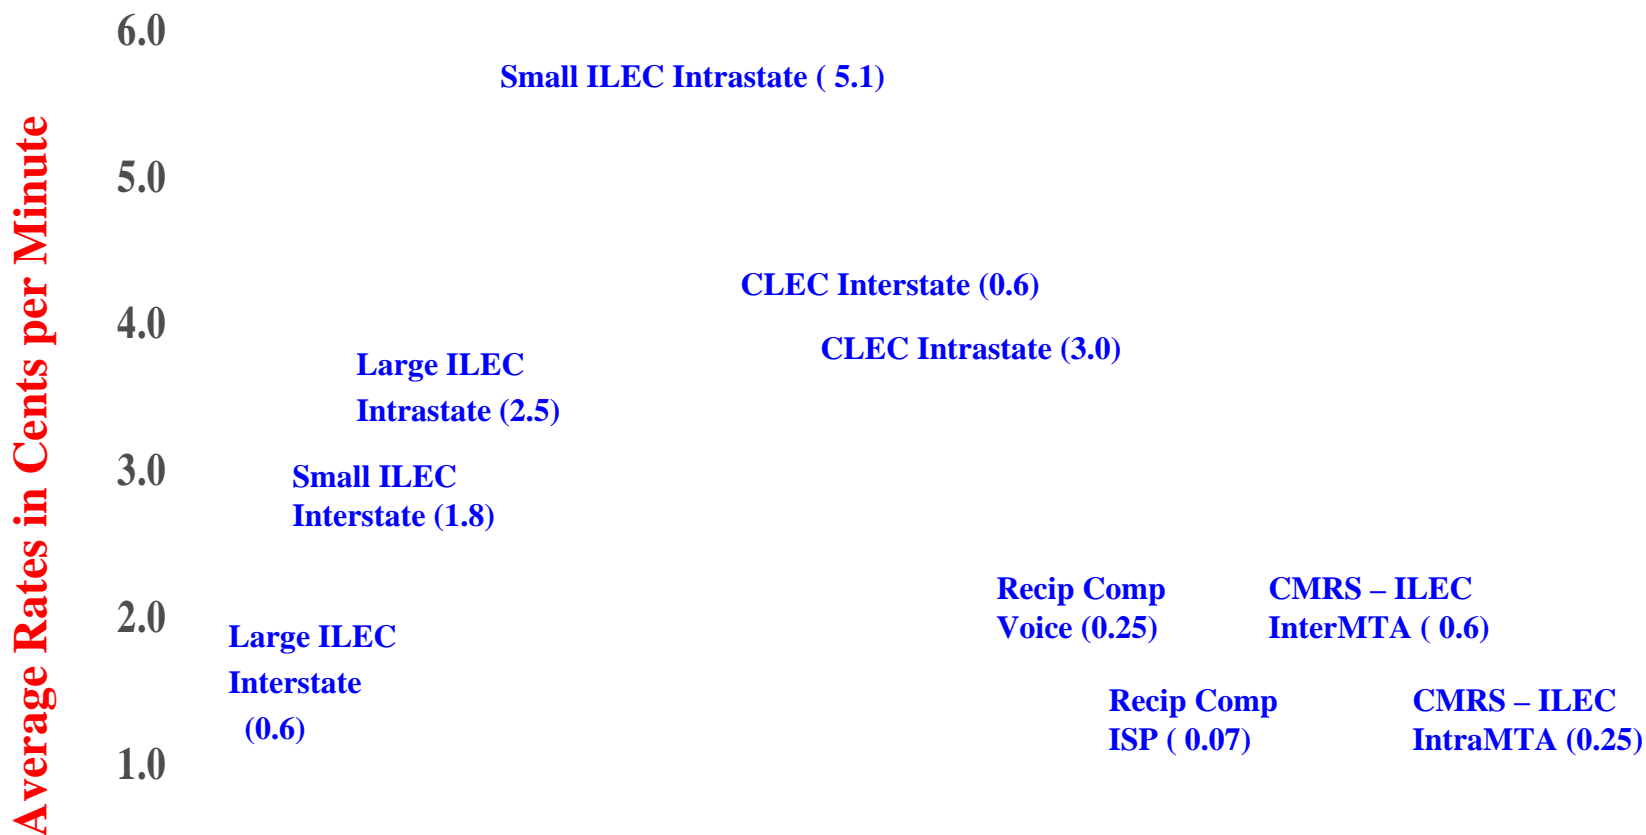

/s/ Brian J. Benison
